

## ADDENDUM #1

On April 10, 2017, the New Hampshire Department of Health and Human Services published a request for proposals to solicit proposals from vendors to serve as the Administrative Lead Organization (ALO) of a statewide Health Care Coalition (HCC).

The Department is publishing this addendum to:

1. **Delete and replace Section 3.2, Scope of Services, Paragraph 3.2.1, Subparagraph 3.2.1.3, Subpart 3.2.1.3.11, to read as follows:**

3.2.1.3.11     RESERVED

2. **Delete and replace Q3 through Q4, to read as follows:**

*Q2. How will you recruit and convene the types of health care facilities identified by CMS as HCC members over the two-year contract period? Include timeframes for all activities.*

*Q3. How will you coordinate and facilitate the activities of the HCC, including leadership team, committees and general membership? Include timeframes with your proposed plan.*

*Q4. How will you evaluate the activities and effectiveness of the HCC? Include methodologies and timeframes of evaluations.*

3. **Delete and replace Q7, to read as follows:**

*Q7. RESERVED*

4. **Delete and replace Section 3.2, Scope of Services, Paragraph 3.2.1, Subparagraph 3.2.1.3, Subpart 3.2.1.3.20, to read as follows:**

3.2.1.3.20     Design and conduct a needs assessment in collaboration with HCC members in order to determine educational and training programs needed in response to potential critical emerging health threats
